

Management Team

Duane L. Mizell

President / Chief Executive Officer

Duane is Co-Owner, President and CEO. He graduated from Louisiana State University with a Bachelor of Science degree in Civil Engineering, in 2006.

Since joining the Stuart & Company team as a Project Manager in 2006, Duane has excelled at all job duties including Estimating; Value Engineering; Project Management; and Architect / Engineer / Client relations.

His excellent leadership skills moved him up the ranks in the company where in January of 2011 he was promoted to Vice President and COO. He has continually demonstrated his ability to adapt to a variety of jobsite situations and resolve issues that occur on all projects. Duane has been a positive force and key element in the growth of Stuart and Company.
