

Management Team

Tyler J. Tramonte

Vice President / Sr. Estimator / Pre-Construction

Tyler is Co-Owner and Vice President at Stuart & Company. He is a graduate of Louisiana State University with a Bachelor of Science Degree in Construction Management.

He joined the Stuart & Company staff as an Estimator in May 2009 and has progressed to the position of Vice President of Estimating. He has learned and mastered the skill of estimating commercial projects from design through job start up including detailed budgets at every phase of design, value engineering, and competitive bid. His thorough pre-construction work ethic and unparalleled effort has created excellent relationships with owners, architects, engineers, and subcontractors.

His success is a result of his motivation and leadership which has earned him the title of Vice President. He has continually proven to get projects within the owner's budget and ultimately bringing the owner's vision to reality. Tyler has proven to be a valuable asset to Stuart & Company.
